## John Schneller – The Right Priorities

- Support policies to make jobs and the economy a top priority such as streamlining the corporate tax code to attract both new ventures and established businesses.
- Emphasize policies that foster competition in the healthcare marketplace to reduce family healthcare costs.
- Support dedicated teachers and administrators who work alongside involved parents to develop Locally-Controlled Curriculum.
- Opposed to a broad-based sales or income tax.
- Reduce taxes on dividends to favor our senior citizens & retired veterans who rely on fixed incomes.
- Strongly favor legislation to strengthen second amendment rights for New Hampshire citizens.
- Promote environmental responsibility while allowing tourism to grow.
